

Zain Ul Abideen

Wordpress And AI App Developer | Graphic Design | No-Code Automator

Professional Summary

I am a multi-skilled digital professional specializing in WordPress development, AI application development, graphic design, digital marketing, no-code automation, and 3D modeling. Since 2019, I have completed 200+ projects across diverse industries, combining creativity with technical expertise to build responsive websites, AI-powered applications, automation workflows, and impactful digital experiences. I am passionate about leveraging emerging technologies to solve real-world business challenges, improve productivity, and deliver innovative, user-focused solutions.
